Hanes, Hill, Mineral Springs Middle, Paisley IB, Philo and Winston-Salem Prep (Grades 6-8) have spaces available for students who live in the schools' residential zones as well as magnet spaces for students from throughout Forsyth County. Priority for assignment to magnet schools is given to students and their siblings who live in the schools' residential zones.

The Downtown School is taking applications for grades 6 and 7 for the 2011-12 school year. The school is open to students from families who live or work in the central urban area of Winston-Salem or who work at Reynolds American, Inc., the school's primary business partner. Transportation to the Downtown School is NOT provided by the school system.

A lottery may be held if there are more magnet applications than spaces available.

Once assigned to a magnet school, students may complete all grades provided they attend school regularly and exhibit exemplary conduct. If a student does not meet these standards, he or she may be reassigned to his or her residential school at the end of the school year. Students in middle school magnet programs will have first preference in continuing in the same program at the high school level.

Transportation to magnet schools is provided through Magnet Express Bus Runs. Your child will be assigned to a Magnet Express Stop, most likely within four to six miles of your home. Buses will pick up your child at these stops and take him or her to the magnet school.

These stops are supervised before school starting at 6:30 a.m. and after school until 6 p.m. Supervision is free in the mornings and for the first hour in the afternoon. Additional supervised time is available for \$3 per day or \$15 per week.

For more information, call the school system's magnet office at 727-2519.
